Now, pull your pants down.
Then, your underwear.
Sit on the potty and
pee, pee, pee!
Pee slides down the potty.
Wee, wee, wee, wee,
wee, wee, wee!
Potty, potty see you, when I pee again!

Chorus: In the potty, in the potty, in the potty. (x2)

Now, pull your pants down.
Then, your underwear.
Sit on the potty and

Poopy, poopy, poopy, doop!
Potty, potty see you,
when I poop again.

Chorus: In the potty, in the potty, in the potty. (x2)

POTTY SIGNS!

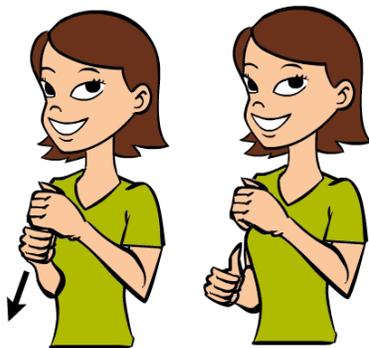

POTTY / BATHROOM / TOILET

Make a fist with your thumb in between your index and middle fingers (T-handshape). Holding your fist at shoulder level with knuckles facing out, shake your hand back and forth a few times.

PEE

Make the ASL letter "P" by making a 2, then placing your thumb on the middle knuckle of your middle finger. Now, using your middle finger, brush the tip of your nose downward a couple times.

POOP

Make 2 fists and hold at chest level with the fist of your dominant hand below your non-dominant hand. Insert the thumb of your bottom hand into the fist, then pull the hand downward, keeping non-dominant hand stationary.

*NOTE: If you pull your non-dominant hand upward, you are doing the swear version of this word...so be careful about that.

WASH

Make 2 fists with your thumbs on the side, palms facing, with your dominant hand on top. Make a circular "scrubbing" movement with the hand that is on top, as if washing something. The hand on the bottom doesn't move.
